

Good Days and PrEP

What is Good Days?

- Good Days, formally known as “My Good Days,” is a non-profit 501(c)(3) organization that provides financial support for Medicare or Military insured clients who need help with necessary treatment.

What is the eligibility criteria and assistance information for covering PrEP cost?

- Client is required to have Medicare, Blue-Cross Federal (Federal employee insurance) or Military insurance coverage
- Client income must be at or below 500% of the Federal Poverty Level (FPL)
- Client’s insurance coverage must cover at least 50% of the cost of treatment
- Good Days will cover medication out-of-pocket costs up to \$7,500
- The program is currently open for medication assistance enrollment

Note: If the client is residing outside the US, they can still receive assistance as long as they are getting their medication refills at a US pharmacy. The client is responsible for finding a way to ship the medication to their location.

What information will a client need to sign up?

- Contact and demographic information, including estimate of client’s household income and household size
- Social security number Health insurance information
- Name of medication
- Prescribing physician's name and phone number
